# SAVE SMALL DREAM BIG

at your credit union™

**Members under 18 that make a deposit during April will be entered into a drawing for a prize!**

Dreaming big doesn't mean you need to start with big actions. The first small step is usually the hardest, but once it's taken, you can use momentum to propel you forward. This year's theme for National Credit Union Youth Month is "Save Small. Dream Big at your credit union." It uses the image of a magical rainbow with a wish-fulfilling gold star at the end. We want to tell young members that their dreams are attainable, no matter how big they are.

Lockport Schools FCU has tools to help fulfill these dreams. With a youth saving account that earns compound interest, young members can deposit small amounts on a regular basis and watch their savings grow "like magic." The earlier they start a savings account, the more it will grow, and the easier it will be to achieve their dreams. Learning this good financial habit at a young age will set them up on the path of successful financial well-being.

If you have been wondering how to empower your kids to save for their future, National Credit Union Youth Month is a great opportunity to start! Join us this April as credit unions across the country encourage youth to start saving regularly.
